

MARCUS HOUNSOM RELAYS 2023 WORKER LIST

You are expected to work the station you are assigned until the event is finished. **MS & HS staff is expected to be present and help.** If you are not scheduled for a specific event, be prepared to act as runners, hurdle jockeys, or as needed. If you would like to help with a specific field event, report to the individual in charge of that event. Field events will start at 3:00 p.m. (javelin at 2:45) and all workers should report by 2:45 p.m. (report to the building on the north side of the track). The running events will start at 4:00 p.m. and workers should report to the finish line by 3:45 p.m. All workers will be released by an administrator. We need all JH track athletes and MS/HS staff not assigned to specific events to be hurdle jockeys, runners, or help in the concession stand.

Thanks for everyone's help,
Jeremy Watt
